Alexandria, VA 22313-1450

COMMENTS ON DETERMINATION OF PATENT TERM ADJUSTMENT

Sir:

Patentees respectfully request review of the Patent Term Adjustment (PTA) determined for the above-identified patent. The data presently available from the PAIR system appears to indicate an incorrect number of days determined for the USPTO Delay and/or for the Applicants' Delay.

Should it be deemed that Patentees are entitled to the PTA that is greater than that noted on the cover page of the patent, if permitted under 37 C.F.R. § 1.705(d), the Commissioner is authorized to charge the fee required for increasing the PTA to Deposit Account 06-1205. Any overpayment should be credited to the same Deposit Account.

Patentees' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Jason M. Okun/
